Fishing For Families

Badger Childhood Cancer Network's (BCCN) mission is to educate, support, serve and advocate for children with cancer, their families, survivors of childhood cancer and the professionals who care for them. We serve kids and teens with informational materials, distractions and comfort items at diagnosis, hosting monthly support groups and family social events and facilitating the popular Hero Beads and Ashley's Med Kit programs. We provide financial and transportation assistance (rent/mortgage, groceries, utilities, phone, car repairs, gas) to families in need who have a child on acute treatment . . . **because kids can't fight cancer alone!**

All proceeds from this event will be donated to Badger Childhood Cancer Network. For more information, visit: www.badgerchildhoodcancer.org

How to Participate

Anglers wishing to participate will need to gather a five boat team and a sponsor(s) to donate \$500 to the BCCN. The \$500 can be collected from either one or two sponsors but no more than two. Individual boats not able to put together a 5 boat team can also participate for \$100 donated by a sponsor. Event organizers will assign individual boats to partial teams as needed. **Before July 26th the sponsor(s) will need to fill out this form and send the team information and sponsorship check to:**
