IT'S ALL IN A BENNINGTON

With understated elegance and high performance, the Bennington experience transcends all to deliver the best for our community of owners. We relentlessly refine and enhance everything you see, touch, and feel because we know every moment on the water should heighten your senses and exceed expectations without compromise.

At our company, we firmly believe in the value of quality construction and never taking shortcuts. We are committed to providing our customers with the best possible boating experience, ensuring that they can enjoy many years of reliable and enjoyable time on the water. Our dedication to attention to detail is unmatched, and we are proud to offer an industry-leading Lifetime + 10-Year Bow-To-Stern Warranty, giving our customers peace of mind and confidence in their investment. With our team, you can trust that you are receiving the highest level of craftsmanship and customer service in the industry.

DESIGN

There are pontoons, and then there is Bennington. Every curvature and element of design is chosen to enhance the boating experience. More than just style, it is derived from a deep understanding of consumer's wants and needs. Our designers and engineers strive to make every detail have that luxurious look and feel to appeal to all your senses.

QUALITY

Our team lives by the philosophy of using the best construction and never cutting corners. Bennington's meticulous attention to detail exceeds industry expectations and creates an elevated standard of excellence, all backed by an industry-leading Lifetime + 10-Year Bow-to-Stern Warranty.

SUPPORT

No one else in the industry is as committed to keeping you out on the water, creating those special moments. That is why you will find a level of support and commitment to customer satisfaction unmatched by any other marine manufacturer. Having earned a CSI Award every year since its inception, you can be confident that Bennington is always beside you.

PERFORMANCE

At Bennington, we take great pride in our performance pontoon boats. Our team of dedicated engineers have spent countless hours testing and perfecting innovative solutions to create a pontoon that is perfect for you. With our commitment to providing a smooth and exhilarating ride, every push of the throttle will remind you why our brand is a cut above the rest. We understand that every moment on the water is precious, which is why our products are designed not only to perform, but also enhance the overall experience.

S SERIES

THE MOST ATTAINABLE LUXURY SX LINE | S LINE | SV LINE

Affordability without compromises. Designed for creating unforgettable memories with your loved ones, the S Series is the perfect choice for any boating excursion. With enhanced packages and a premium Serene Soft Touch, every aspect of the S Series is built to appeal to your senses and provide the ultimate experience in quality and style. Whether you're looking to relax and unwind or seek out adventure on the water, the S Series is the epitome of the best time spent with friends and family.

FISHING

SV FISHING

20 SVF

Introducing the all-new 20 SVF, the ultimate fishing boat for anglers and families alike. Redesigned with both cruising and fishing in mind, this custom-made boat has everything you need to land a limit of fish. The midship L-Bench offers comfortable seating for the whole family, while the bow and stern are equipped with dual bass seats and top-of-the-line fishing amenities. From the deck up, the 20 SVF is designed to enhance your angling experience and provide the perfect blend of relaxation and excitement.

FISHING VERSATILITY

When it comes to fishing, having the right features and amenities can make all the difference. With four integrated rod holders, you'll have all the space you need to keep your gear ready and easily accessible. Plus, with a 43-Gallon live well, you can ensure that your catch stays healthy and fresh until you're ready to head back to shore.

COMFORT IS STANDARD

The 20 SVF has been thoughtfully designed to maximize space for fishing. The helm has been redesigned to promote ergonomics and comfort. Blending conveniently placed fishing features and plush Serene Soft Touch to create a relaxing atmosphere.

SV SWINGBACK

22 SVSB-SPS

Introducing the all-new 22 SVSB-SPS, now available in our most sought-after floor plan layout - the Swingback. Experience the ultimate in relaxation as you soak up the sun from the luxurious Swingback lounge, featuring premium Serene Soft Touch upholstery. And with the SPS performance package, you will have three pontoons for the best performance and handling, increased horsepower, and more seating capacity, making it easier than ever to take in the breathtaking views and enjoy all your favorite water sports activities.

MAXIMIZED STORAGE

Our latest SV Swingback offers the perfect solution for those looking to have easy access to their belongings. Our in-floor storage option allows you to safely store your items without cluttering your deck. Our lumbar cutout feature allows for a more open seating experience, with an integrated lumbar tray for more storage and cup holders so you can relax and enjoy your time on the water without any discomfort.

CONTROL & CONVENIENCE

The ergonomic helm allows for effortless navigation, putting everything you need within fingertip reach. Plus, the improved design provides maximum comfort while steering with the class leading binnacle arm. With our newly designed helm, you can relax and focus on enjoying your time on the water in style.

S L-BENCH

20 SL

Experience the ultimate in comfortable seating with our S L-Bench layout design. Perfect for any outing, this asymmetrical layout provides ample room for everyone to stretch out and relax. Whether you are transporting or launching your S L-Bench, you will appreciate the easy towing capabilities of this line. Its versatile design ensures everyone can enjoy a comfortable and relaxing ride, making it the ideal choice for any occasion.

ALL THE DETAILS

A polished and refined look is all about the finishing details. That is why we have incorporated high-quality materials, like a luxury wrapped shroud with premium stitching, to add a touch of luxury to the helm. With controls right at your fingertips, you will have everything you need within reach for a seamless and stylish boating experience.

OPTIMAL SPACE

The S L-Bench layout allows for optimal space usage, ensuring that every inch of your designated area is utilized efficiently. These high-quality finishing details elevate your space and create an impressive and functional environment.

S SWINGBACK

20 SSB-SPS

New to the S Series the luxurious S Swingback Layout offers a bow lounge to the roomy Swingback, which you can customize with features and amenities you desire. To make it truly stand out, we added a rich, lustrous color accent that will catch everyone's eye. With so many options available, you can customize your pontoon to meet your functional needs and reflect your style and taste.

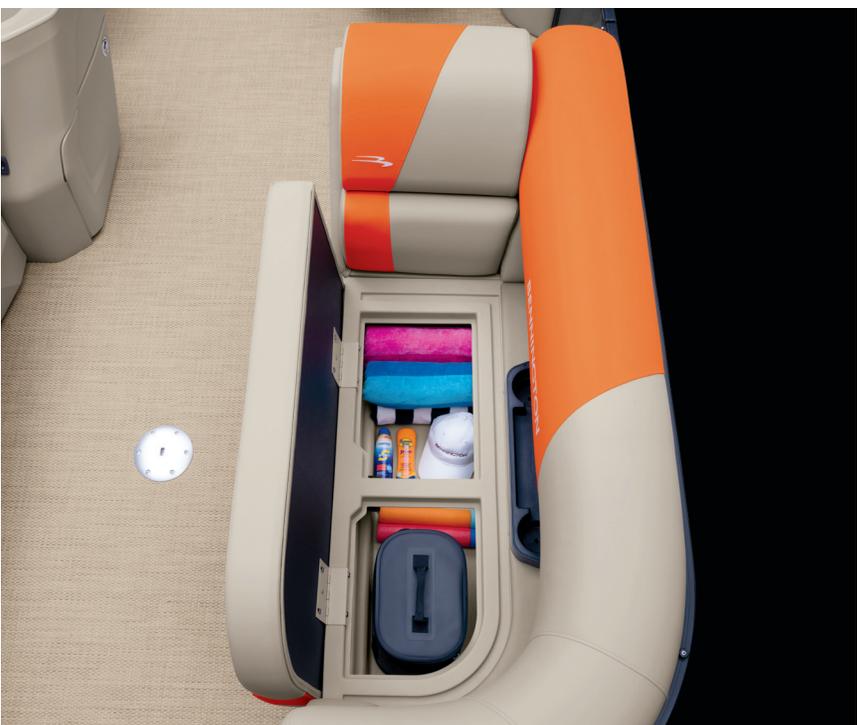

RELAXING AT ITS BEST

The Swingback layout is the ultimate combination of comfort and functionality for your boat. This design not only provides maximum comfort for you and your guests but also offers additional storage space underneath. With the extended aft deck option, you and your guests can enjoy even more room to relax and lounge. But it's not just about relaxation - the Swingback tray adds convenience by providing a perfect spot for small items and drinks, keeping them easily within reach.

CAPTAIN'S LUXURIES

The S Series Air High-Back Captain's chair with a co-captain chair is the perfect addition to the S Swingback. Not only does it provide comfortable seating for the captain and co-captain, but it also boasts a sleek new Pressed Diamond Cut pattern design throughout the interior. This design not only adds a touch of style but also enhances the overall comfort and durability of the chairs. With its high-back design, the S Air Captain's chair offers optimal support and stability while navigating on the water.

SX QUAD BENCH

23 SXSRC

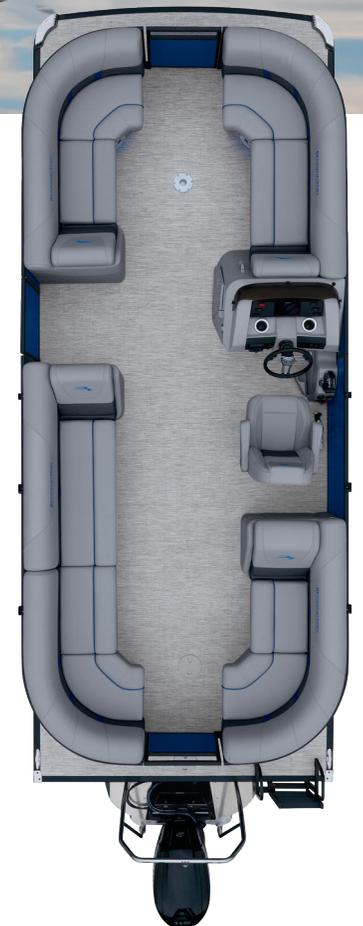

Our SX Quad Bench layout is perfect for bringing your family or friends along for a day on your Bennington with plenty of room. With four spacious benches, there's space for everyone to sit comfortably and enjoy the ride. And with our premium features, you will have all the storage you need for everyone's belongings. Our SX is designed with you in mind, ensuring you have all the space and convenience you need for your day on the water.

SOPHISTICATED DETAILS

The SX Quad bench is a top-of-the-line choice for those seeking premium features in their boat. This line offers maximum comfort and style with its upgraded pillow top design furniture. The pressed diamond pattern detail adds a touch of sophistication to the overall design, making it a standout piece.

FRESH NEW COLOR

Introducing our newest color, Luminous Blue, with an enhanced Blackout Luxe Package. This fresh new combination adds a touch of sophistication and luxury to your Bennington. The Luminous Blue stands out with its eye-catching hue, while the enhanced Blackout Luxe package adds a sleek and modern touch. This winning combination is sure to turn heads.

SX PORT DINETTE

25 SXPD

Bennington's SX Port Dinette layout is a versatile floor plan that offers the perfect solution for any dining space. Not only does it provide a small dinette area for food preparation, but it also offers ample space to hold your dishware. With the ability to comfortably seat up to four people at the table, it is ideal for family meals or entertaining guests. And, as with all our products, this piece boasts the same high-quality craftsmanship and luxurious design that Bennington is known for.

TABLE SPACE

The Port Dinette table is the perfect layout in the SX Line for entertaining both family and friends. Its spacious design allows for comfortable dining experiences and ample room for fun games and activities. What makes this table even more impressive is its hidden storage compartments, making it a functional and practical choice for any boat. With the Port Dinette table, you can create memorable moments with your loved ones while also keeping your boat organized.

DINETTE

At Bennington, we understand the importance of having a convenient and organized space for your boating adventures. That is why our dinette is equipped with a storage compartment inside the table for all dining and other accessories you may need. Our Port Dinette also includes a convenient food preparation table in the bow of the pontoon, perfect for setting out cups and dishware.

TOP DECK

L L-BENCH

20 LL

The L Line L-Bench layout was designed with comfort and functionality in mind, the L-Bench offers spacious and comfortable seating for all passengers. No matter how many guests you have on board, everyone has plenty of room to stretch out and relax. Whether you are cruising or anchored, this layout is perfect for socializing and enjoying the water.

SMALL DETAILS BIG IMPACT

At Bennington, we believe in all the details even the smallest ones. Incorporating these high-quality finishing details can elevate your boat and create an impressive and functional Bennington-like black badging with the Blackout Luxe Package for bold styling.

ENTERTAIN IN STYLE

With its spacious L-Bench located on the midship, this boat offers plenty of room for entertaining guests. Whether you are hosting a gathering with friends or spending a day on the water with family, the L-Bench provides ample space for everyone to relax and enjoy the view.

L FISHING

23 LFAPG

When it comes to fishing, having the right setup is crucial for a successful trip. That is why our L Line Fishing layout is equipped with both bow and stern fishing decks, providing you with optimal fishing positions and the ability to easily move around the boat. But it is not just about convenience; our boats are also loaded with top-of-the-line fishing standards, ensuring that you have all the necessary tools and equipment for a momentous day out on the water.

FISHING ESSENTIALS

From rod holders and live wells to spacious storage compartments, our boats have everything you need to make the most of your fishing experience. Four rod holders throughout the boat and convenient tackle storage to keep everything out of the way but easily accessible.

CRUISING READY

There is nothing quite like spending a day on the water, whether reeling in a big catch or simply enjoying a leisurely cruise with your loved ones. No matter what the day has in store for you, the 23 LFAPG is the boat to make the most of your time on the water.

L TOP DECK

25 LSRTD

The L Top Deck provides ample space for all your friends and family to relax and enjoy the water. Lounge on the upper deck and soak up the sun or take a thrilling ride down the slide. Or if you need a break from the heat our lower deck offers a shady spot for cruising and taking in the beautiful scenery.

ROOM FOR MORE

The new bow gate seat is a game changer for boating enthusiasts. Not only does it offer the flexibility to move from the front to the side gate, providing more versatility and options for seating arrangements. With the capacity to hold up to 13 people comfortably so you can bring more family and friends along for the day.

ENTERTAINMENT

Featuring a spacious upper deck that creates a designated sunbathing area, you can lounge in comfort and style on those lazy summer days. But for those seeking a bit more adventure, our fiberglass slide with water feature provides the perfect dose of fun and excitement. Add a touch of ambiance to your boating experience, we offer optional RGB lights.

LX SPORT SWINGBACK

24 LXSSBA

The LX Sport Swingback layout is an ideal option for a gathering of family or friends who desire the sleek appearance of our beloved RX at a more moderate price point. Geared towards providing exceptional stability, comfort, and handling, the LX Sport allows for easy catchups with loved ones, lounging under the sun, or skiing all while leaving a long-lasting impression.

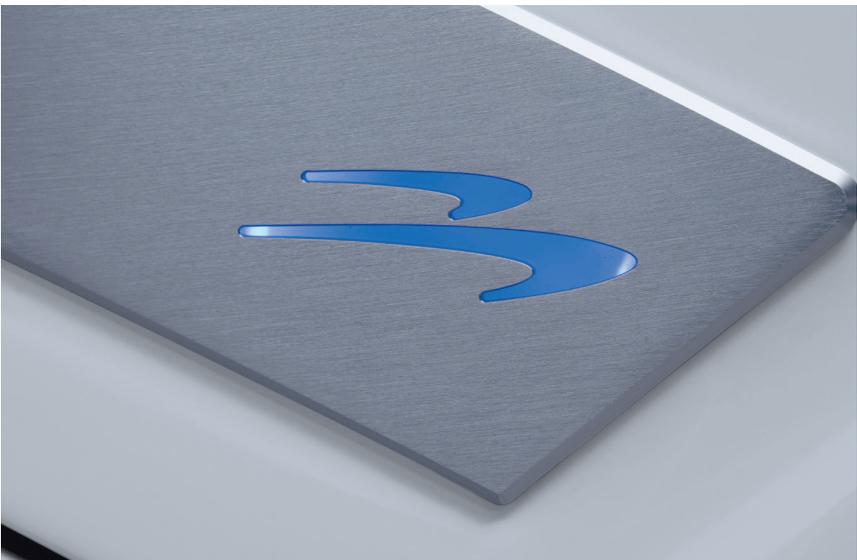

WATER SPORTS FUN

If you are looking for a versatile and exciting watercraft for all your water sports adventures, look no further than our LX Sport. Designed for both inland and coastal activities, this boat is perfect for wake boarding, tubing, water skiing, and swimming. With a ski tow, connecting tow lines and other water sports attachments is a breeze, and the spacious in-floor compartment ensures that your boards, life jackets, and other gear are kept safe and secure.

LUXURY & STYLE

The LX Sport, the epitome of sophistication and comfort. Our sleek furniture not only elevates the interior aesthetic, but it also ensures the utmost comfort for you and your guests. With its superior craftsmanship and attention to detail, the exterior of the LX Sport sets a new standard in luxury boating. And don't forget about the ultimate comfort that the interior provides, making every journey on the water an unforgettable experience.

LX SPORT FASTBACK

24 LXSFBA

The LX Sport's smooth lines and sporty integrated docking lights bring the look and feel of the popular RX Sport into Bennington's high-end lineup. The sleek exterior is new to the LX line, and the integrated docking lights house navigation and sporty accent lights, making them shine day and night. LX Sport combines both style and functionality.

OPTIONS THAT MATTER

We offer a range of optional features for our boats, including an elevated helm for superior visibility and a 7-inch multi-function display that conveniently displays important information like maps, speed, engine information and depth readings. For those looking for a touch of luxury, we offer the premium Corvina steering wheel to add a sophisticated touch to the interior. With our range of optional features, you can customize your boat to fit your personal style and enhance your boating experience.

QUALITY IS STANDARD

The LX Sport Fastback Quad Bench layout is the epitome of luxury and sophistication, with its soft, premium-grade Simtex that allows you to lean back and relax in style. As you scan the horizon, you will notice the artfully chosen color palettes and the carefully placed seams, each detail contributing to the overall elegance of the design. Be assured no expense was spared in the construction of the LX Sport, with every inch thoughtfully crafted to perfection. From top to bottom, our LX Sport is a testament to getting things right.

BOWRIDER

Lowering the front of the pontoon allows for enhanced visibility for the driver and a closer proximity to the water for the riders. This creates a more immersive experience for all passengers while elevating the driver's visibility.

BENNINGTON'S REVOLUTIONARY, FIRST IN THE INDUSTRY BOWRIDER-STYLE PONTOON

VANTAGE-POINT CAPTAIN'S VIEW

- Low-profile rails & step-down bow enhance captain's sight lines
- Easy to drive with increased forward visibility in all driving conditions, including docking & picking up skiers
- Stadium seating allows the driver to easily see & communicate with passengers

STEP-DOWN U-LOUNGE

- Versatile conversation-friendly step-down bow seating with the ultimate in comfort & "near water" rider experience
- Sport interior with comfortable tall lounge backs
- Large recessed lumbar pockets with USB ports for quick & secure storage

LOW-PROFILE & TAPERED RAILS

- A bold & athletic cut, inspired by European sports cars
- Sporty sleek exterior commands attention on the water
- Even easier to drive & dock with increased driver sightlines
- Riders feel even closer to the water, for an enhanced experience

INTEGRATED BENCH-BACK STORAGE

- Dry storage spaces with easy access from inside the boat & from the dock
- Perfect for smaller items like purses, wallets, sunscreen, phones, & sunglasses
- Charge a phone via the USB ports while stored inside

INTEGRATED V-HULL™ PERFORMANCE

- Top-of-the-line performance & control comes standard
- More Storage: Up to two over-sized in-floor center storage compartments come standard
- Designed to fit standard boat lifts & tri-toon trailers
- Performance foils & underdeck wave shield come standard

L BOWRIDER SWINGBACK

25 LTSB

The Bowrider Swingback is the ideal choice for families seeking an effortless day of boating. With its innovative design, the bow is positioned lower than the main deck to provide the captain with a better sight line and a closer connection to the water for the passengers in the bow. Additionally, the Swingback layout is crafted to promote socialization and relaxation.

MORE ROOM AT WATER LEVEL

The L Bowrider offers a truly innovative and well-thought-out design that prioritizes spaciousness and sensory delight. From the generous U-shaped bench in the bow area, carefully crafted for maximum comfort and ergonomics, to the inviting and luxurious Swingback in the stern, this boat is designed to impress and provide the ultimate relaxation experience for its guests. Whether you're looking to lounge in style or cruise the waters with friends and family.

NAVIGATION MADE EASY

Navigating the L Bowrider is a delightful experience for both seasoned boaters and novices alike. The lowered bow level optimizes your vision for seamless docking and optimal water visibility. At the helm, the optional Digital Dash is outfitted with a cutting-edge 9" touchscreen display, simplifying system controls with the touch of a button, and eliminating the need to waste precious time tinkering with complicated screens.

R BOWRIDER FASTBACK

25 RTFB

With its leading-edge design, ample seating, and spacious interior, this Bowrider offers an unparalleled boating experience that seamlessly blends form and function. Whether you are in the mood for exhilarating water sports or simply want to take a leisurely cruise, this convenient sport style interior provides everything you need for an unforgettable day on the water. With its impressive performance and superior ride quality, this vessel is sure to turn heads and leave a long-lasting impression.

SMART LAYOUT

The Fastback Quad Bench layout prioritize comfort, movement, seating, and storage. With removable tables and ample storage, these layouts are designed to cater to your specific needs. The lower bow design also allows for a clearer sight line for the captain, whether they're docking or keeping an eye on a downed skier. Bennington's attention to detail and focus on purposeful spaciousness truly elevate the enjoyment of being on the water.

DAY TO NIGHT

The R Bowrider easily transitions from a sunny day to a night adventure. This exceptional Bowrider features an optional Sunshade, providing additional coverage from the bow to the stern. Alongside the Sunshade, LED lights and courtesy lighting are installed on board, ensuring there is plenty to appreciate and experience while enjoying the R Bowrider during day or nighttime excursions.

R SERIES

BROADEST RANGE OF PERFORMANCE & LUXURY OPTIONS

RX SPORT LINE | R BOWRIDER LINE | R LINE

Bennington's R series provides the elegance of a luxury yacht while delivering the power and agility of a sport boat. The R series offers a vast array of interior and exterior options that give you the freedom to personalize your boat to your taste, making it the most versatile and adaptable series we have to offer.

STERN LOUNGE

R STERN LOUNGE

23 RCWA

For families who are enthusiastic about water sports, sharing their experiences with friends is usually a top priority. The R Stern Lounge is a top-of-the-line pontoon boat that offers unparalleled luxury and comfort. With its spacious deck, the boat provides ample seating for large groups of friends while also ensuring a steady and comfortable ride, even at high speeds.

THE BEST VIEW

By placing two chaise lounges in an aft-facing position, you are granted your own personal space to relax while observing water activities or enjoying the sand bar. This clever design includes chaise lounges that make storing gear and inflatables effortless, guaranteeing the safety and accessibility of items without sacrificing comfort.

YOUR HELM

Indulge in the pinnacle of ease and authority through the swiveling helm and passenger seats. These seats are furnished with self-leveling armrests that provide unmatched support and an unparalleled view of the water, enabling you to steer with luxurious comfort. Additionally, enjoy leading-edge technology, such as the Premium Rockford Fosgate® sound.

25 RFB

The R Fastback has been meticulously designed to offer unparalleled comfort and precise handling that appeals to all the senses. Its impressive performance is marked by quiet power, and the seating is both elegant and comfortable. Every detail has been carefully considered by the Bennington designers to create an extraordinary boating experience.

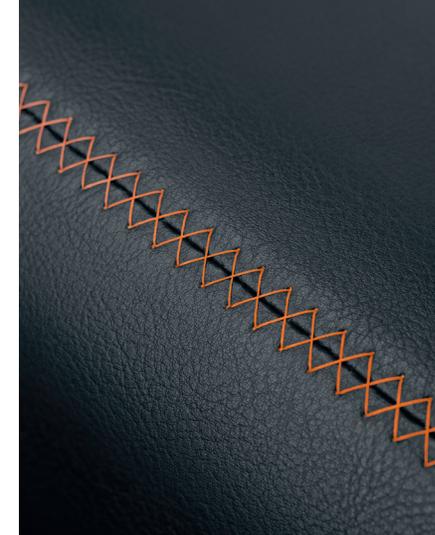

IN THE MOMENT

The R Fastback is impeccably designed with amenities and conveniences that allow you to dedicate your attention to your loved ones. The R Fastback is the epitome of luxury and attention to detail. Each element, from meticulous hand stitching to the innovative articulating headrests, has been thoughtfully crafted to provide unparalleled comfort and adaptability.

SEAMLESS NAVIGATION

Equipped with the best technology, including a 12" multifunction display that provides you with all the necessary tools for seamless navigation. With this advanced system at your fingertips, you can easily and accurately plot your course. The touchscreen display makes it even easier to access and control maps, navigation and engine information for a effortless water experience.

RX SPORT SWINGBACK

23 RXSBA

RX Swingback from Bennington is the ultimate layout for those looking to stand out on the water. With its sleek design and powerful performance, this boat is perfect for hosting friends, enjoying a leisurely cruise, or even trying out some exciting water sports. The attention to detail in this model is evident, from its enhanced aesthetics and comfort features to its advanced technologies and customizable upgrades. With an extensive range of standard amenities, the RX Swingback truly delivers the next level of fun and style for all your boating adventures.

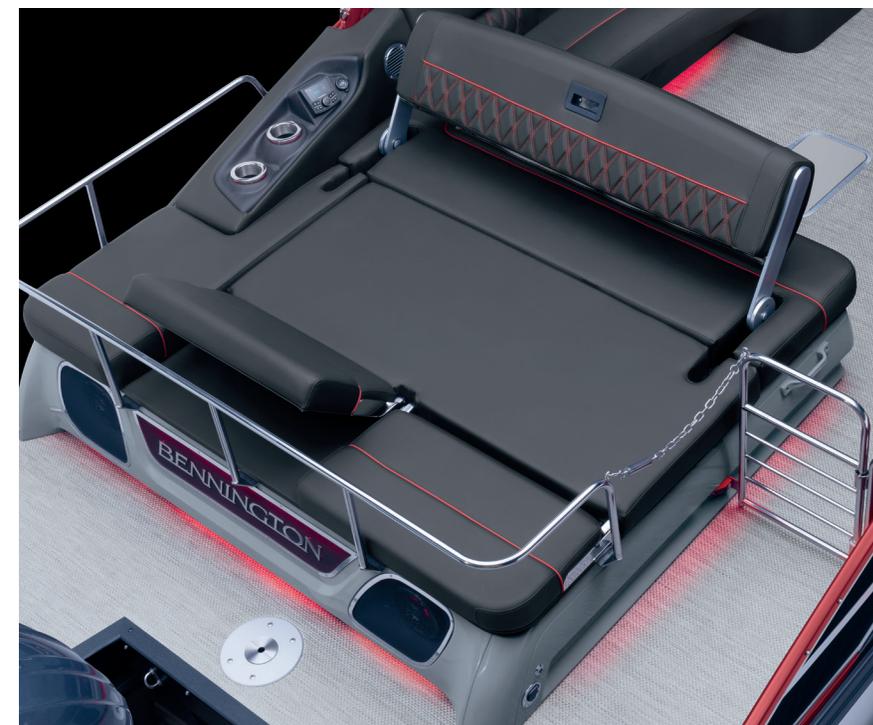

GOING BEYOND THE BASIC

With the RX Swingback, guests will have no shortage of entertainment options on board. This impressive boat features a spacious layout with bench-seating in the bow, a reclining co-captain's seat, and a large sun pad with an adjustable backrest that can be transformed into a forward or rear-facing lounger. The premium Rockford Fosgate® stereo system provides high-quality sound, perfect for setting the mood on the water. And with ample storage space, guests can easily bring along all their essentials for a day of fun and relaxation.

QUALITY AT EVERY TOUCH

When you lean back against the soft Phantom Breeze Cool Touch premium-grade upholstery of a Bennington RX, you are instantly enveloped in a world of luxury and attention to detail. Appreciate the artfully chosen color palates and the meticulous placement of seams. Every inch of the Bennington RX exudes quality and reflects the brand's commitment to getting things right. From the flawless construction to the carefully selected materials, the RX Swingback provides a sensory experience unmatched by any other pontoon on the market.

RX SPORT FASTBACK

27 RXFBWA T2

With its spacious social areas and plenty of available seating in the RX Quad Bench layout, the RX Fastback is the perfect foundation to any outdoor adventure. Not only does it provide comfort for you and your family, but it also makes hosting friends and loved ones a breeze. Grab your friends, and get ready to enjoy endless days of fun on the RX Fastback. It is the ultimate way to experience the a day out on the water.

TRUE COMFORT

When it comes to comfortable seating, our class-leading furniture designs have you covered. With ample space and an articulating headrest, anyone can find their ideal position for ultimate comfort. Our captain and co-captain's recliners also include optional heated and cooled seats, perfect for any type of weather. No matter your size or preferences, our product is designed to provide the utmost comfort for all individuals.

ALL THE PERFORMANCE

When it comes to boating, performance is key. And with our boats, we provide the pinnacle of pontoon performance. With not just one, but two powerful engines, you will have all the control and speed you need on the water. Our boats are designed for those who want to push the limits and truly experience the thrill of the open sea. Our dual-engine system allows for maximum power and maneuverability, giving you the confidence to navigate any water conditions with ease.

Q SERIES

UNMATCHED LUXURY & PERFORMANCE QX LINE | Q LINE

When it comes to pontoon boats, the Q Series from Bennington stands out as the ultimate choice. Q SWINGBACK

25 QSBAIO

Introducing the Q Swingback I/O - the perfect addition to your summer fun on the water. With its spacious Swingback lounge and easy water access from the swim platform, everyone on board will have a comfortable and enjoyable experience. The outboard engine tucked away leaves more room for activities. The intuitive helm puts you in complete control, while features like a ski tow attachment and our in-floor storage make watersports a breeze.

WATERSPORTS FUN

For those who love spending time on the water, the Q Swingback I/O is the perfect companion. Whether you enjoy wakeboarding, tubing, waterskiing, or just swimming, this boat has you covered. Its arch ski tow eye makes connecting tow lines and other watersports attachments easy, ensuring a smooth and enjoyable experience. When it is time to come back on board, the large integrated swim platform makes re-boarding a struggle-free task.

POWER AT A TOUCH

When it comes to boating, nothing beats the experience of agile handling and powerful performance. And with the I/O system, you can have both at your fingertips. With just the touch of a button, the helm is equipped with a large 12 Simrad display, giving you everything you need in one convenient portal. This means less time worrying about your boat and more time making unforgettable memories on the water.

Q FASTBACK

27 QFBWA T2

When it comes to boating, the Q Fastback is the ultimate choice for a luxurious and unforgettable experience. This exceptional boat, crafted by Bennington, exemplifies our dedication to superior quality, expert craftsmanship, and intelligent engineering. Its layout is specifically designed to promote socialization and relaxation, allowing for the perfect escape from the stresses of daily life. And with advanced technology that prioritizes ease of use, every weekend spent on the Q Fastback will be a seamless and enjoyable experience.

TWICE THE POWER

The Q Fastback boasts an exhilarating feature that sets it apart from other boats on the market - the option for twin engines. This impressive addition allows for unparalleled performance and handling, giving you the freedom to take your adventure wherever you desire. Whether you're navigating rough waters or cruising on open seas, the Q Fastback's twin engines provide the power and control necessary for an unforgettable journey.

YOUR WEEKEND IS A VACATION

The Q Fastback Quad Bench layout is a spacious and versatile boat, perfect for entertaining with its 14-person capacity and ample storage options. Whether you are hosting friends or family, this boat is sure to impress. And with the latest technology for 2024, including heated and cooled seats, you can enjoy the perfect level of comfort no matter the weather outside. With its sleek design and top-of-the-line features, the Q Fastback is the premier choice.

QX SWINGBACK

28 QXSBWA X1

Introducing the QX Swingback, part of the QX family that marks a bold chapter in our story. This exceptional boat combines the best features of a pontoon and a performance boat, resulting in a harmonious and compelling package. With a massive capacity and deluxe amenities, the QX Swingback offers breakthrough design and incredible versatility, allowing you to customize your own adventure. Experience the ultimate freedom and luxury on the water with the QX Swingback.

ENJOY EVERY MINUTE

The QX Swingback is the perfect boat for bringing your friends and family along for a day of fun on the water. With its 10' wide beam and ample seating, everyone can comfortably join in on the adventure. Not only does it offer plenty of space for passengers, but the Swingback also features radio head unit ensuring hours of entertainment for all. Whether you are spending the day cruising on the lake or towing water sports, the QX Swingback has everything you need for a memorable and enjoyable experience with your loved ones.

PREMIUM AMENITIES

Elevate your boating experience with the QX Swingback, complete with the Phantom Red cool touch interior package and entertainment amenities. This performance boat not only boasts a sleek and stylish design, but also offers the convenience and enjoyment of a Rockford Fosgate® sound system. With these features, you and your loved ones can spend hours on the water, soaking up the sun and creating unforgettable memories. Don't miss out on the ultimate boating experience with the QX Swingback.

QX FASTBACK

30 QXFBWA X2

Experience the ultimate in elegance, athleticism, and performance with the QX Fastback. Designed with every detail in mind, this boat offers the perfect combination of space and functionality for those long days spent on the water. The optional twin-engine model features a multitude of leading-edge technologies and amenities to ignite your passion and take your boating experience to the next level. With its sleek and stylish design, the QX Fastback is sure to turn heads and leave a long-lasting impression wherever you go.

YOUR COMMAND CENTER

Experience the ultimate control and comfort on the water with our intuitive helm featuring a 12" touchscreen display. Navigate with ease and precision using the latest technology at your fingertips. Our captain's chair provides the utmost comfort and support, with the added luxury of heated and cooled seats to keep you comfortable no matter the temperature. With the optional joystick, even beginners or expert boat drivers can easily dock and maneuver their boat with confidence and ease.

CRAFTED FOR COMFORT

Our boat has been designed with your comfort in mind, with multiple areas expertly crafted for ultimate relaxation. The 10' wide beam and optional bow gate seat creates a full large U-shaped seating area that can comfortably hold up to 17 people, making it the perfect choice for entertaining guests day or night. And for those who enjoy water sports, we have added in-floor storage to keep your equipment neatly tucked away and easily accessible. With our boat, you can enjoy a day on the water with friends and family in complete comfort and style.

PERFORMANCE PACKAGES

Shallow Draft: Helps when navigating shallow waters by riding higher in the water.

- K Keels:** Heavy duty solid aluminum extrusions placed along the bottom of the tubes to offer protection in shallow water when underway as well as when the boat is in storage.
- PF Performance Foils:** Similar to a wing of a plane, these are placed on the bottom side of the tubes to provide hydrodynamic lift. Improved acceleration, top speed, and stability are added benefits. The foils included on the SPS, ESP, ESP-3, & V-Hull™ packages will dramatically increase the boat's turning performance, especially during heavy banking.
- LS Lifting Strakes:** These strakes add lift, decrease splashing, and increase top speed by as much as 4.8 miles per hour, depending on engine selection. For optimum performance, lifting strakes are recommended for engines rated 115hp or greater and for boats exceeding 30 mph. Lifting strakes are recommended with twin elliptical pontoons with greater than 90 hp.
- HS Seastar® Hydraulic Steering:** Eases steering effort with higher horsepower engines. Expect two-handed handling in hard turns. Recommended for engines rated 115 hp or engines with 4 cylinders or less.
- PS Power-Assist Hydraulic Steering:** Powered by an electronically controlled hydraulic or electric pump connected to the SeaStar® system. The electric pump "does the work for you," so the driver can expect incredible handling and turning with little effort. Recommended for engines rated 150 hp or greater.
- W Wavetamer :** Also known as underdeck wave shield, deflects water from the bottom of the deck, which reduces "surging" and enhances the soft, quiet ride in rough water while increasing top speed. Check with your local dealer for current engine hp certifications for specific models and configurations.

** Illustrations and descriptions depict a typical build. Configurations will vary by specific model, length, and options.*

32" TWIN ELLIPTICAL

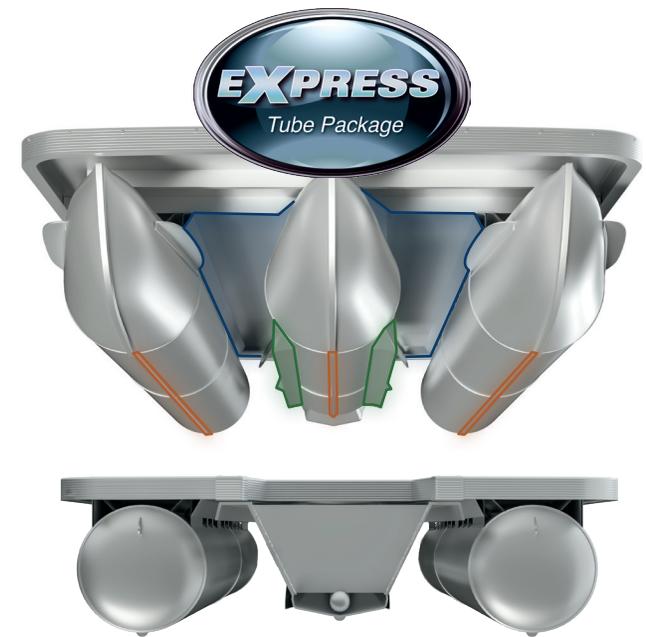

Shallow Draft	Best
Stability	Best
Watersports	Good
Outer Tubes	32" Elliptical
Center Tube	n/a

Bennington's exclusive Elliptical Pontoons features solid round keels and offers incredible two-tube performance. Each .100 gauge elliptical pontoon adds over 1,000 lbs. of additional buoyancy, allowing the boat to sit higher and run faster. These pontoons increase stability both fore and aft as well as side to side. Add lifting strakes and performance foils for even faster acceleration, top speed, and improved stability.

Freshwater and Saltwater packages are available, and both include an underdeck wave shield. The Saltwater package adds saltwater anodes and sealed lifting strakes/performance foils.

0	0	0	0	0	0	0	0	0	0	0

EXPRESS

Shallow Draft	Good
Stability	Good
Watersports	Better
Outer Tubes	25"
Center Tube	25" Express Length

The Express Tube Package offers increased bow lift for lighter, lower horsepower engines. The package includes a modified center tube with lifting strakes and a modified wave shield. Add SeaStar® hydraulic steering for engines greater than 115 hp (25" tubes required).

QX	Q	RX	RT	R	LXS	LT	L	SX	S	SV

SPS

Shallow Draft	Good
Stability	Better
Watersports	Best
Outer Tubes	25" (23" SPS-23)
Center Tube	25" Full Length (23" SPS-23)

The Sports Performance System (SPS) offers handling and performance characteristics similar to ESP in a lighter, more affordable package. SPS is designed for 4 cylinder engines 200 hp or less (SPS-23 115 hp or less). The package includes 3 full-length 25" diameter (23" on SPS-23) pontoons, lifting strakes on the center pontoon, performance foils on the inside of the outer pontoons, solid round keels, under deck wave shield, SeaStar® hydraulic steering, and a 32-gallon transom fuel tank on select models. SPS outer tubes use .080 thick aluminum, and the center is a combination of .080/.100. SPS+ is for engines over 200hp with heavier duty construction. Upgrades include a composite transom, additional brackets, internal bracing, weld spacing, and an aluminum thickness of .100 throughout.

ESP

Shallow Draft	Better
Stability	Best
Watersports	Best
Outer Tubes	25"
Center Tube	32" Elliptical

Bennington's legendary Elliptical Sport Package offers top-of-the-line performance and comfort. ESP offers best-in-class stability, maneuverability and maximizes water displacement with quick planing and handling characteristics that rival and often outperform fiberglass sport boats. It includes two 25" diameter outer pontoons with performance foils, splash fins, and .100 gauge aluminum, Wavetamer® and our patented 32" elliptical center pontoon with lifting strakes. Engineered for higher horsepower applications and rated up to 450 hp, ESP is optional on select outboard models and standard on 8.5' wide twin-engine & I/O models For rougher conditions, upgrade to ESP+ with thicker .125" gauge tubes*. Power steering and center fuel tanks are recommended upgrades for most configurations.

*ESP+ Is Standard On 8.5' Standard-Beam Twin-Engine Models & Includes .125 Gauge Tubes, Sealed Strakes, Foils & Full-Length Wavetamer®

QX	Q	RX	RT	R	LXS	LT	L	SX	S	SV

ESP-3+

Shallow Draft	Good
Stability	Best
Watersports	Good
Outer Tubes	32" Elliptical
Center Tube	32" Elliptical

The ESP-3+ running surface is engineered to provide peak performance and ride quality for 10-foot wide-beam boats. This fully integrated platform boasts triple 32" wide .125" gauge aluminum elliptical tubes. Each tube is internally reinforced with stringers and bulkheads. Sealed versions of our strakes and foils, along with a full-length Wavetamer® are standard. Bennington's patented elliptical tubes maximize buoyancy and stability, improving overall performance.

Single engine models are rated for up to 600 hp, with twin-engine configurations boosting a maximum of 900 hp.

10 YEAR
BENNINGTON
WARRANTY
LIFETIME STRUCTURAL

BENNINGTON WARRANTY

Industry-leading lifetime structural + 10-year bow-to-stern warranty

LIFETIME STRUCTURAL WARRANTY

As the original owner of a new Bennington, you receive a Limited Lifetime Warranty on the structure, pontoons, gates, channels, motor mount & rotomold seat frames. If anything goes wrong, we will fix it. Season after season, your Bennington will be ready.

10-YEAR BOW-TO STERN WARRANTY

As the original owner of a new Bennington, the first ten years are covered directly by Bennington. All materials and workmanship are covered by us, including flooring, and upholstery. No hassles, no worries, no hand-offs—It's Simple. Your dealer will register the warranty for you upon delivery of your new boat. The engine manufacturer's stated warranty covers your engine.

PARTNERSHIP WITH OUR DEALERS

Bennington dealers receive 100% of the retail shop labor rate for warranty repairs. This means that your warranty work is a top priority & completed quickly with your satisfaction in mind.

TRANSFERABLE WARRANTY

Bennington warranties are transferable through your local Bennington dealer, adding to the resale value of your boat.

LIFETIME DECK WARRANTY

As the original owner of a new Bennington, you receive a Limited Lifetime Warranty on the 7-ply, pressure-treated, marine-grade decking. Since they fasten the rails & deck directly through the under structure, Bennington decks flex less & will provide you with a lifetime of enjoyment.

EXCELLENCE IN CUSTOMER SATISFACTION

Bennington has earned the Customer Service Index (CSI) award for "Excellence in Customer Satisfaction," an industry-leading 24 times-every year since its inception. Given by the National Marine Manufacturer Association, the CSI Award recognizes manufacturers who receive exceptional satisfaction scores for the boat, engine, & dealer experience.

NO HAND-OFF TO SUPPLIERS

Bennington doesn't hand off warranty responsibilities to its suppliers. When it comes to warranty claims, your Bennington dealer will take care of it directly with Bennington. After all, no one cares more about your satisfaction than Bennington does.

NO PRO-RATING

Bennington boats carry the same valuable warranty, whether it's the first day or the last day of the warranty period. Bennington does not use a declining scale of coverage in its warranty, also known as pro-rating.

NEW FOR 2024

BENNINGTON'S LUXURIOUS COLLECTION
